That being said, the advice for people in long term relationship is garbage. I have been in a relationship for almost 2 years and reading this book almost RUINED EVERYTHING. If you are in a long term relationship and you are told by a book to 'pull away' emotionally and physically until he sees what he is missing...then you are not in a relationship with a man, you are in a relationship with a BOY. This book should be titled "Why BOYS loves bitches". That would make more sense. If you continually want to play this cat and mouse game with your boyfriend then go for it. But it will leave you exhausted and unfulfilled.

I tried following the 'advice' given in this book and we suffered because 'pulling away' and waiting for him to figure out what's wrong is absolute BS. I felt misunderstood, confused and angry that he couldn't read my mind. Then I realized "I'm an ADULT. This MAN that I am dating is an ADULT. We should be ADULTS and not play juvenile games."
